

PRE TRAVEL VET VISIT

Questions to Ask Your Vet

BEFORE VISIT

- ☐ Do you have experience helping pets with international travel?
- ☐ Can you assist with the government import and export forms required for travel?
- ☐ Do you offer international pet passports, and can you help fill them out?
- ☐ What is the total cost for this process, including filling out any required paperwork?
- ☐ What information should I provide before our appointment to make things easier?

DAY OF VISIT (PAPERWORK)

- ☐ Does my pet need any internal or external parasite treatments for entry into the destination country?
- ☐ Does my pet have the correct type of microchip required for entry?
- ☐ Are all the vaccines my pet needs for travel up to date?
- ☐ Is my pet's international pet passport complete and correctly documented?
- ☐ Can I have a copy of your veterinarian identification, as some countries require proof of licensing?

DAY OF VISIT (PERSONAL)

- ☐ Does my pet need any specific medications or preventatives for the country we are traveling to?
- ☐ Should I adjust my pet's medication or supplement schedule because of time zones or travel stress?
- ☐ Do you recommend any sedatives or calming aids for my pet during the flight or transport?
- ☐ What signs of stress, dehydration, or illness should I watch for while traveling?
- ☐ Are there any foods, plants, or substances in our destination that are dangerous for my pet based on their health history?
